May 2017 NEWSLETTER

SPRING WEATHER

Spring has sprung and we will be spending more time outdoors ☺ The playground will be ready for use soon and we ask that caregivers send HATS and SUNSCREEN for your child each day. If desired, you can label your child's hat and sunscreen and keep it here at the Centre. We will need a form signed for each child that gives the teachers permission to apply sunscreen. (Attached). Please also make sure your child has a water cup or bottle at the Centre.

LANGUAGE NEST

Our Language Nest is happening every Tuesday and Wednesday in the 3-5 room from 9:30-12:30. These sessions are completely in Nuu-chah-nulth and are led by fluent speakers and Cultural Advisors Julia Lucas and Katherine Frazer (our lovely Elders) and Joshua Shaw, our Language Nest Team Leader. We have prepared an info sheet (attached) with some of the language we have been learning along with the phonetic alphabet to help you with some of the sounds. Please feel free to drop in and spend some time with your children in our Language Nest ☺.
