## Language Nest

Has been working on the SitKa Dance and Days of the week

Working on getting vests and shawls for dancing

## Multi-age/3-5 Classroom

We have been painting with our hands and working on a classroom family tree

We have been doing a lot of Yoga, breathing, and learning to calm our bodies.

We are working on proper handwashing, sharing, and turn taking.

We are all working together. Everyone knows to “Help a Friend” after you have finished a task so we can all be ready to move on to the next thing.

## Out of School Care (OSC)

Please let us know if you need continued full time care throughout the summer. The fees will go up.

First day of full time summer care starts Friday June 28<sup>th</sup>.

Please bring spare clothes that are weather appropriate as the days get warmer.

Working on personal boundaries and respect.

Please remember to pack extra snacks for your children as they sometimes eat everything at school and are hungry when they get here. Some parents bring in weekly snack for daycare to store in the OSC room and that seems to work well for them.

## Infant/Toddler Room

Sadly we are saying goodbye to Abigail this month. She is leaving to continue her education and we wish the very best for her!

We would like to welcome Ruby into the infant and toddler room. She has been spending time with the little ones over the past month and she going to be a great addition!

Tracy has been working on her Infant and Toddler practicum over the last couple month and will soon be done so we would like to congratulate her on her success.

Reminder to parents to bring all snacks and lunch prepared and in baggies or a microwavable safe container with lid.

We are learning about taking turns, using our gentle hands.
