SOME EXCITING NEWS

We would like to welcome Jennifer to our Daycare family. She has been spending time with the little ones over the past month and she going to be a great addition!

OUT OF SCHOOL CARE (OSC)

Spring Break is from March 14th to 29th 😊 We will be open as usual and OSC will be offering full days for the big kids!

**Please remember to pack extra snacks for your children as they sometimes eat everything at school and are hungry when they get here. Some parents bring in weekly snack for daycare to store in the OSC room and that seems to work well for them.

FOOD AND SNACKS

Your child needs a variety of healthy snacks and a lunch every day. Please do not send pop, juice, chips or candy to daycare 😊

Treasure Our Young Ones Child Care Centre ?iihmisuk taatna?is March 2020 NEWSLETTER

Just a reminder to screen your children weekly and treat them (conditioner and lice comb) should you see any live lice, dead nits or eggs. Please do not send your children to daycare with lice. It is unfair to all the other friends and families that come to our centre and it makes us sad to have to send children home ☹️

LANGUAGE NEST

We have been working on presenting Moe the Mouse in Nuu-Chah-Nulth to the children. This is a fun circle time with wild animal friends, stories, songs and of course, Moe the Mouse. The purpose of this circle is to promote speech development and encourages children to make the sounds of the animals. We have noticed an increase in speech and language since we have started integrating this program into our Language Nest!

3-5 and MULTI AGE

The teachers and Children worked on a number of love art projects with friends. They made mailboxes, cards and have been doing a LOT of finger painting. They enjoy helping make playdough every week as well. The teachers took the kiddos on some nice sunny neighbourhood walks and we got to go run around the gym.

Reminder!!! Fridays are PAJAMA DAY!!! Bet you wish you could come hang out here all day!
